

Row Gardens Allotment Group -Rippingale

Notes from Site Meeting (and Rubble Bashing) – Sunday 14 May 2006

Present – John and Pauline Warman, Iain Middleton, Brian and Joan Cook, Simon Goode and Barry Flatters

Apologies –Christine Williams and Angela Adams

John Scholes had levelled out most of the rubble with his JCB and it was agreed unanimously that the group should pay for a selection of beers (already purchased by John W) to be given to John as thanks.

It was also agreed that as the progress in releasing the extra land needed for allotments was very slow we would use some of the land earmarked for plots for the disabled for anyone that is interested. Full sized plots can be split up later.

The house bricks etc were broken down to give a reasonable area on which any car could be parked WITH CARE. When some sort of agreement can be reached with the RPC a grant will be applied for to finish the parking / turning area professionally topping off with a suitable 'fill' to give a smooth surface. (Possibly 'as-raised')
