

RIPPINGALE PARISH COUNCIL

Environmental Policy.

GENERAL STATEMENT

As a Parish Council responsible for supplying services in the built and natural environments, it is possible through the advice given to parishioners and those working with us, to make a contribution towards the protection of the local environment in which we work, live and relax.

RIPPINGALE PARISH COUNCIL

AIMS TO:-

- Comply with all relevant local, national and international environmental legislation that impinges on its activities.
- In the absence of any existing legislation, positively influence parishioners to incorporate environmental considerations in all aspects of parish life.
- Positively influence suppliers, service providers and the public towards environmental excellence.

- Adopt environmental principles for purchasing consumables, minimising waste, efficient use of energy and water and ensure that wastes are recycled whenever practicable and disposed of appropriately.
- Support initiatives that reduce litter, vandalism and graffiti in the community.
- Support events that foster a sense of community.
- Work with South Kesteven District Council's Environmental Services Department for the environmental improvement of the Parish.

*At a meeting of Ripplingale Parish Council held on 28th June, 2012 the above Environmental Policy was unanimously adopted by the Council.
