WOMENS REFUGE BOSTON

A huge thank you from Boston
The Refuge was delighted to receive a fourth delivery of the items that you donated. In addition to knickers and toiletries they are also requesting cleaning materials, rubber gloves, loo rolls, tissues, new mugs, tumblers.

Any contribution we make to basic requirements, no matter how small, means that the refuge has a little more money to replace capital items such as furniture and white goods.

Boston really is extremely grateful.

Please continue to donate
