If you would like to volunteer or join with others to run the evening please contact President Michèle. A formal meeting is not necessary – just organise it as you wish.

BOSTON WOMEN'S REFUGE

(update)

Another delivery was made to Boston last week. BWA is always extremely busy at this time of the year. At the moment there are 8 families living in the 2 safe houses. A helper arrived during the visit grabbed a pack of boys pants saying "I've a home for these you couldn't have come at a better time"

Sarah, Snr Project Manager, writes: *Thank you so very much for coming across today with the fantastic donations they are all very much appreciated. So very exciting to hear the wonderful news concerning the support of all of the S Lincs WI groups.*

As you can imagine with 8 families to cater for there is a great demand for loo rolls, tissues and cleaning materials!

A Rippingale member has suggested that instead of buying Christmas gifts for our Lucky Christmas Dip we buy a gift for BWA. Do you agree?
