Barn Farmhouse

in aid of

Associated Country Women of the World (ACWW)

Kasese Uganda – Keeping Girls in School

This project will enable girls and young women to attend school and continue working throughout their menstrual cycles which are clouded by taboos embedded in their religion, culture and history. Funds raised will enable women in the community to manufacture and sell sanitary pads to encourage the need for protection against infection and provide education for all the family, especially men.

Please support this important project

Thank you
