THANK YOU

Sandra Baker, Activities Manager, Wood Grange Care Home writes:

We would like to thank you so much for the kind donation of the sensory tactile muffs you gave to our residents. We really appreciate all the time and effort that has been put into making them.

As you can see from the attached photographs our residents are already exploring them and we are sure they will be enjoyed by many residents in the future.

Thank you all very much.

Boston Women's Aid

Refuge for women and children against domestic violence

Huge thanks members from the staff at BWA for the amazing number of beautifully wrapped Christmas presents you so generously donated. The staff members were extremely grateful on behalf of the women and children to know that strangers were thinking of them at a special family time.

Sincere thanks
